"Over the last 24 months, Jim has consistently shown up in a big way. He won't settle for anything less than stellar."

**-Timothy Hedges,
Vanguard Properties**

"We hired Jim to do some marketing videos for us here at Epicenter, and he absolutely killed it (in the best way possible). We definitely plan to use Jim again in the future and we strongly recommend his work for any business that wants to get a leg up with their marketing."

**-Brad Bergum, Owner
Poppy Bank Epicenter**

"Jim shot real estate photography for our development Harbor View at Bodega Bay. Jim is professional and has an impressive eye for composition and angles, and he won't settle for less than perfect. His photography will be featured in three different magazines: Homes and Land Wine Country, Luxury Homes, and New Homes Magazine. And it is definitely magazine-worthy photography."
